

KENTON PARK ESTATE

WINE in the WILD Adventures

Join Vineyard & Estate Manager, Ben Oliphant-Thompson on one of the many WINE in the WILD Adventures we host here in and around the beautiful countryside of Devon

Enjoy an exhilarating experience starting out from the stunning location at Kenton Park Estate

At the start of any WINE in the WILD Adventure, we invite guests to join us first of all for a hearty Breakfast in "The Motley Cru" Café Bar in the Winery Building that sits in the heart of our 10 acre Vineyard here at Kenton Park Wine Estate. Enjoy Breakfast overlooking the Vines and the rolling Hills of Mamhead Forest and beyond. You will see Pheasants & Partridges roaming freely around our Estate & Vineyard which itself is surrounded by the stunning landscape of the Powderham Castle Estate. We will then take you to the start of your Adventure.

At the end of the day, we always enjoy a few glasses of our English Fizz, to celebrate your "WINE in the WILD" experience with Kenton Park Estate. You can choose from our Sparkling Wines, "The Motley Cru", our 2013 Sparkling Classic Cuvée, "Gun Dog Escape", our 2014 Sparkling Rose Reserve or "Flying Circus", our 2016 Blanc de Blanc. [Accommodation can be organised locally if required]
