Thursdays, Fridays & Saturdays (October & November)

A fabulous way to spend the Day with Friends & Family here at Kenton Park Estate with
The Motley Cru

“Cheeky Brunch” & Wine Tasting with Canapés

Great News!! As many of you know, we usually close the Restaurant at the end of September to Harvest our Grapes but so many of you have asked us (some even pleaded with us) to stay open. Never before have we had so many requests for Events outside of our Season. So we're thrilled to let you know we'll be open on Thursdays, Fridays & Saturdays throughout October & November and we will also be introducing the *NEW Motley Cru “Cheeky Brunch”. An amazing Feast of Brunch-style delights. (Menu will be on-line shortly). So get together with your Friends & Family to enjoy a leisurely “Cheeky” Brunch Feast with a

glass of our “Cheeky Fizz” Sparkling Wine. Brunch is from 10.00am onwards and you can enjoy watching the Grapes being Harvested and hear the happy chatter & laughter up and down the Vine rows as we frantically pick the Grapes. And there’s more..... We will also be hosting our hugely fun “**Wine Tasting & Canapés**” with an Autumn/Festive twist. Our Wine Host Team have had such fun entertaining you over the Summer with their cheeky banter so you can come over on a Friday & Saturday and spend all day here starting with Brunch and moving on to a Wine Tasting & Canapés. There will be great Music, outdoor Fire Pits will be lit, Log Fires will be blazing and it’s never too early to start serving our amazing Mulled Wine! To Book your Brunch Table or to Book a Wine Tasting & Canapés simply head over to our web site and book on-line.
